Dear Students ,

I have great pleasure in welcoming you to the Buddha health care & higher education. I feel confident that the ideas, impressions and images, I had about medical education as in cherished dreams are now unfolding and taking shape. Buddha health care & higher education has attracted the attention of a large section of the community and has been able to live up to its motto of providing modern health care services in an environment of friendly participation and academic ambience.

The expanded facilities for recreation and for sports and games in the College will surely add to the friendly academic ambience here and invite our students to participate whole-heartedly in all our activities and give out their very best.
